During this class you will be preparing a significant body of multimedia materials. We would like to use these materials in future classes as demonstrations, and we would like to have the option to publish these materials on the Internet, or in other publications. Hence, we would like you to sign the copyright transfer statement below to acknowledge that you are willing to let us use your materials.

**Copyright Transfer**

The undersigned hereby transfers, to the extent that there is copyright to be transferred, the exclusive copyright interest in all multimedia materials, digitized movies, still images, and computer-based presentations, created during the class, to the teaching staff subject to the following:

The undersigned student retains the right to revise, adapt, prepare derivative works, present orally, or distribute the work in print or electronic format, provided that all such use is for the personal non-commercial benefit of this person.

Whenever the workshop staff are approached by third parties for individual permission to use, reprint, or publish this work in any format, except for classroom use, library reserve, or to reprint in a collective work, the undersigned workshop participant’s permission will be required.

No proprietary right other than copyright is claimed by the workshop staff or C-TEAMS.

Please print your name and then sign below if you are willing to transfer copyright and answer the questionnaires. If you do not wish to do one or the other please put a small note on this paper to indicate accordingly:
